APPROVAL DOCUMENT

Check approved vehicle model, required accessories and installation advice. ²⁾

www.osram.com/nb-led

If required in your country: ³⁾

Installation:
Please check car owner's manual and follow instructions for lamp replacement. ⁴⁾

Always replace lamps in pairs if applicable!
The product inclusive the cables and accessories must be installed in a way that no damages occurs. Please make sure that all parts are fixed properly to avoid interference with any moving part or function of the car. The change of the light source requires the readjustment of the headlamp setting by a qualified workshop. ⁵⁾

The deicing and defogging behavior can change when switching from halogen to LED. ⁶⁾

Please attach the provided OSRAM sticker as required by local legislation. More information at www.osram.com/nb-led ⁷⁾

Do not stare at the operating light source. ⁸⁾

Caution!
The lamp heats up when it is in use. ⁹⁾

FOG LIGHTS
